***"Without Warren County Habitat for Humanity, I don't know if I would have ever achieved my dream of owning a home."***

— Nicole, 2018 Partner Family, Mother of Two

**Nicole's story is one of struggle, perseverance, and triumph.**

Her dream from a young age was to become a homeowner. As a single mother of two living in Section 8 Housing, Nicole felt that becoming a homeowner would never be a reality for her. She knew she had to make a change to overcome government assistance and set an example for her children.

**With the hope of providing a brighter future,** Nicole diligently worked on improving her situation as she submitted multiple applications to Warren County Habitat for Humanity's home building program. After several years of demonstrating relentless determination, Nicole was selected as the 16<sup>th</sup> partner family. She joyously received a "hand up."

As carloads of Nicole's family and friends attended the groundbreaking ceremony, her dream of becoming a homeowner became a reality. While working alongside the community and Habitat volunteers, Nicole said, "This experience is better than just buying a home!"

**The WCHF family has become an indispensable agent for positive change in the life of Nicole and many others in our community.** Your hard-earned dollars and volunteerism continue to help your neighbors better themselves by creating new opportunities for the next generation.

**Hope is a powerful thing, and because of your continued, physical, monetary, and emotional support, WCHF can provide hope for those who need it most.**

**This year, in the warm spirit of giving, we are asking you and your family to consider expressing love for your neighbors through a monetary donation to our construction fund.** Your gift will help build a home for Nicole, her family, and many others. These contributions have a generational impact on families and the community as a whole. When considering the amount of a donation, please remember that families like Nicole's rely on you to keep their dreams for a better tomorrow alive.

On behalf of our organization and all of the families we serve, thank you for your support and consideration. May God Bless you and your family.
