Spring 2019

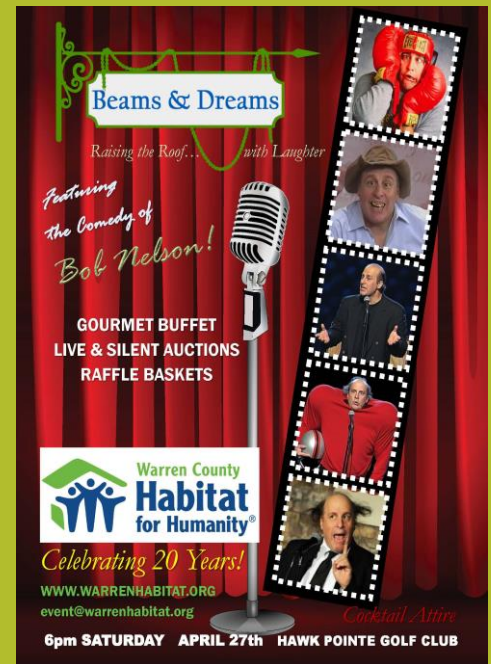

WCHFH Hosts Celebrities

Harmony Township, NJ.

On January 17th, it may have been twenty-two degrees outside, but Nicole Banfield's Habitat home was filled with warmth and excitement. Students, celebrities, professionals and volunteers came together at 2804 Belvidere Road in Harmony Township.

The day was made possible by our friends at National Kitchen and Bath Association. The NKBA team, led by Bill Darcy, CEO, sponsored a nation-wide competition to design the kitchen and bath layouts of our Habitat home in Harmony Twp. Bill noted, "Partnering our associate members with Habitat for Humanity seemed like such a natural thing to do." Contributing sponsors, Green Forest Cabinetry, Eastern Surfaces Inc. and Wilsonart helped make the NKBA Student Design Competition possible for the WCHFH home.

News Reporters were out, Channel 69 news was recording and the celebrities were streaming live on social media. Excitement was in the air as the crew installed kitchen cabinets, hung doors and painted.

Washington Township Students collect “Change for a Cause”

Kindergarten through 6th grade students at Washington Township Elementary pulled from their pockets and piggy banks for an event they called “Change for a Cause”. The various grade levels collected pocket change, competing to see which class would donate the most money as well as which would collect the most pennies. The month-long challenge resulted in students feeling proud to have contributed a total of \$1,018.10 to purchase doors for the new home build in Harmony Township.

Centenary Gives Back

Centenary University is no stranger to WCHF. Five Centenary University students have volunteered for internship positions serving in our office. Along with internships; sororities, clubs, sports teams and other organizations on campus have made it a point to support WCHF by volunteering, both at the ReStore and at the build site.

In a recent visit to the ReStore, Centenary students did their part by helping with spring cleaning throughout the store. Another group of Centenary Students are scheduled to volunteer their time building at the house in Harmony Township.

On April 28th, Centenary University sports teams will be hosting a 5K run on campus to benefit WCHF. For more information call Jonathan at 908-852-1400 x 2394.
